Bonds: News & Comments

Reallocation of funds

Although the NBU sold UAH19.03bn of new CDs last Friday, total CDs outstanding declined UAH2.57bn to UAH59.98bn yesterday as banks' correspondent accounts with the NBU rose UAH2.48bn to UAH42.69bn. The NBU offered and sold only ON CDs last Thursday after which banks increased purchases of CDs to compensate on Friday.

Investment implications: The reallocation of funds to banks' accounts could occur today or later this week as the NBU supports local currency liquidity by purchasing FX at the market, thus causing funds to return to CDs. Even with recent inflows, if the MoF accelerates budget expenditures prior to public holidays, liquidity could decline slightly. We do not anticipate a significant reallocation of funds to government bonds today at the primary auction.

Taras Kotovych, Kiev, +38044 2200120 ext.724
