Bonds: News & Comments

Liquidity fell on lack of budget expenditures

Banks' correspondent accounts with the NBU fell UAH4.56bn to UAH35.21bn yesterday, while total CDs outstanding was up a mere UAH0.63bn to UAH42.02bn. As a result, banking sector liquidity fell UAH3.94bn to UAH77.23bn, most likely because of the lack of budget expenditures caused by hackers that broke into the treasury's computer systems. To solve this problem, the Cabinet of Ministers approved UAH80m to increase network security for the MoF and the treasury.

Investment implications: Liquidity fell as tax collections continued. The treasury is reserving rather than spending funds on budget expenditures. Also, the NBU posted that it paid UAH14.16bn to the budget as the last tranche of its profit from 2015.
